

OPTICAL SALES REPRESENTATIVE

Centennial Optical, a leading distributor of frames, frame accessories and performance sunglasses, is looking for an enthusiastic and experienced Sales Representative to cover an established territory in Eastern Quebec. The opportunity is available due to the retirement of a 25+ year employee.

You are a result-oriented individual who will contribute to the growth and profitability of our company. Your responsibilities include building customer relationships and gaining commitment to initiate product trial and increase existing product usage. You will plan, create and conduct on-site training to increase demand for our products and to provide guidance on our portfolio of products. Additionally, once the sanitary situation allows, you will plan and participate in trade shows, professional association meetings and retail events within the territory.

Optical experience is preferred and an undergraduate degree or diploma is optimal, however, candidates with sales experience in a comparable field will be given serious consideration.

Bilingualism is mandatory

Travel is a requirement. A valid driver's license and a car in good condition are necessary. The candidate must ideally reside around the greater Québec City area. Experience with the Microsoft Office Apps is also necessary.

A competitive remuneration package is available for the successful candidate.

If you meet the above qualifications and you would like to join a winning sales team, please forward your resume in confidence by October 25, 2021, to:

Centennial Optical Limited

Attention: Martin Gervais
